## SCHOOLING + NDA+ HOSTEL + SSB SPORTS + PSYCHOLOGY + PHYSICAL

NDA is just like cracking a zig saw puzzle with lot of components which aspirants must fix before he or she aspires for defence as a career. Each component is essential and must be considered or focussed at the same time. As the name suggests 'integrated', it serves all the needs of the aspirant, at one place. School Integrated program is a specially designed course which covers all aspects of learning required for NDA written exam & the SSB Interview as well as 12th Class Boards as both are equally important if one has to be Successful in his Life.

**The SIP Program** – A Two-Year School Integrated Program for NDA along with schooling is our flagship course for NDA Exam Preparation. This 2 year program provides huge edge to our CADETs as it gives ample amount of time for trainers to bring out the real self of the Cadet.

# OUR WARRIORS MAKING NIMBUS PROUD

“ My journey at Nimbus Defence Academy has been truly transformative. As a student of the School Integrated Program (batch 2023-25), I was consistently challenged and motivated to excel. The academic rigor was demanding, yet the focus on holistic development ensured I was well-prepared for the challenges ahead. The regular extracurricular activities organized by the management played a crucial role in building my confidence and personality, making the SSB interview feel less daunting. The guidance of Ajay Sir and the entire team was exceptional, providing me with the necessary skills and mindset to succeed. I am proud to have cleared both the NDA Written and SSB interviews in my first attempt, a direct result of the exceptional training and support I received at Nimbus.”

“ What was thought and expected from the course was just a practical experience but what I got is more than that. The course re-established my belief: what I need is discipline not motivation. Really blessed to be here. Nimbus holds a great share in my success. Their entire faculty is to be credited for guiding me throughout, and being so assiduous during this entire journey. I am really glad that I chose Nimbus. I am also blessed to have been under the supervision of such wonderful teachers who led me through everything

“ The teachers at Nimbus were very supportive. They cleared my every doubt even during holidays. We got individual attention and weekly feedback on our performance and our weak areas were discussed. Tests were regular according to the schedule. The study material provided by NIMBUS was very helpful & attempting questions from Nimbus books boosted my confidence. Focus was also given on games and extracurricular activities. Apart from written preparation Nimbus also provided SSB foundation classes on every Sunday, which helped a lot in SSB. During the last days there used to be classes of 8-9 hrs which helped in revision.
